

Senator Molly Cook
Senate District 15

Molly Cook is a sixth-generation Texan, born and raised in the Houston area. She is a registered nurse and grassroots organizer. She earned her nursing degree from the University of Texas at Austin and her dual nursing and public health graduate degree from Johns Hopkins University.

As an emergency room nurse and grassroots organizer, Molly advocated for the health and safety of her neighbors, and she is honored to continue that work from the Texas Senate. Earlier this year, she was elected as Texas' first out LGBTQ+ state senator for District 15.

Molly's community advocacy helped pass a citizen-driven amendment to the City of Houston charter, and she has been recognized by the Houston Chronicle as one of Houston's transportation leaders. Molly is a harpist, multi-modal transportation enthusiast, and certified yoga instructor. She is the proud custodian of her senior rescue chihuahua, Oso.
